PREFACE

Reasons for Issuing ED 01/15

The AUASB issues exposure draft ED 01/15 of proposed Auditing Standard ASA 2015-1 *Amendments to Australian Auditing Standards* pursuant to the requirements of the legislative provisions and the Strategic Direction explained below.

The AUASB is an independent statutory committee of the Australian Government established under section 227A of the *Australian Securities and Investments Commission Act 2001*, as amended (ASIC Act). Under section 336 of the *Corporations Act 2001*, the AUASB may make Auditing Standards for the purposes of the corporations legislation. These Auditing Standards are legislative instruments under the *Legislative Instruments Act 2003*.

Under the Strategic Direction given to the AUASB by the Financial Reporting Council (FRC), the AUASB is required, inter alia, to develop auditing standards that have a clear public interest focus and are of the highest quality.

Main Proposals

This proposed Auditing Standard makes amendments to the following Auditing Standards:

ASA 210	<i>Agreeing the Terms of Audit Engagements</i> (27 October 2009, as amended)
ASA 220	<i>Quality Control for an Audit of a Financial Report and Other Historical Financial Information</i> (27 October 2009, as amended)
ASA 230	<i>Audit Documentation</i> (27 October 2009, as amended)
ASA 510	<i>Initial Audit Engagements-Opening Balances</i> (27 October 2009, as amended)
ASA 540	<i>Auditing Accounting Estimates, Including Fair Value Accounting Estimates, and Related Disclosures</i> (27 October 2009, as amended)
ASA 580	<i>Written Representations</i> (27 October 2009, as amended)
ASA 600	<i>Special Considerations-Audits of a Group Financial Report</i> (Including the Work of Component Auditors) (27 October 2009, as amended)
ASA 710	<i>Comparative Information-Corresponding Figures and Comparative Financial Reports</i> (27 October 2009, as amended)

The amendments to the Australian Auditing Standards comprise auditor reporting related consequential changes arising from the proposed revision of:

- ASA 700 *Forming an Opinion and Reporting on a Financial Report*;
- ASA 705 *Modifications to the Opinion in the Independent Auditor's Report*;
- ASA 706 *Emphasis of Matter Paragraphs and Other Matter Paragraphs in the Independent Auditor's Report*;
- ASA 260 *Communication with Those Charged with Governance*;
- ASA 570 *Going Concern*; and

the proposed issuance of new Auditing Standard ASA 701 *Communicating Key Audit Matters in the Independent Auditor's Report*, as well as changes the AUASB has identified through its

review of existing modifications from the equivalent ISAs (i.e. “Aus” paragraphs) where the compelling reasons test has not been met.

The amendments to the Australian Auditing Standards in respect of auditor reporting conforming amendments arise from conforming amendments made by the International Auditing and Assurance Standards Board (IAASB) as part of the new and revised auditor reporting enhancements to the International Standards on Auditing (ISAs). Under the Strategic Direction given to the AUASB by the Financial Reporting Council (FRC), the AUASB is required to have regard to any programme initiated by the IAASB for the revision and enhancement of the International Standards on Auditing and to make appropriate consequential amendments to the Australian Auditing Standards.

Proposed Operative Date

It is intended that this proposed Auditing Standard will be operative for financial reporting periods ending on or after 15 December 2016.

Request for Comments

Comments are invited on this Exposure Draft of the proposed issuance of ASA 2015-1 *Amendments to Australian Auditing Standards* by no later than 30 June 2015. The AUASB is seeking comments from respondents on the following questions:

1. Have applicable laws and regulations been appropriately addressed in the proposed standard?
2. Are there any laws or regulations that may, or do, prevent or impede the application of the proposed standard, or may conflict with the proposed standard?
3. What, if any, are the additional significant costs to/benefits for auditors and the business community arising from compliance with the requirements of this proposed standard? If there are significant costs, do these outweigh the benefits to the users of audit services?
4. Is the removal of (only) “Aus” paragraph references to the *Corporations Act 2001*—currently included within the requirements and application and other explanatory material—supported?

If removal of existing references is not supported, respondents are asked to indicate their preference for locating the re-instated material within the standard:

- In the requirements and application and other explanatory material (as applicable) of the proposed standard; or
 - By inclusion of a cross-referenced listing in an appendix to the standard?
5. Are there any other significant public interest matters that constituents wish to raise?

The AUASB prefers that respondents express a clear opinion on whether the proposed Auditing Standard, as a whole, is supported and that this opinion be supplemented by detailed comments, whether supportive or critical, on the above matters. The AUASB regards both supportive and critical comments as essential to a balanced review of the proposed Auditing Standard.

AUTHORITY STATEMENT

The Auditing and Assurance Standards Board (AUASB) makes this Auditing Standard ASA 2015-1 *Amendments to Australian Auditing Standards* pursuant to section 227B of the *Australian Securities and Investments Commission Act 2001* and section 336 of the *Corporations Act 2001*.

Responsibilities of Management³⁶,s and Those Charged with Governance Responsibility for the Financial Report

[Reporting in accordance with ASA 700 – see [Aus] Illustration 1A in ASA 700.]

Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards,³⁷ and for such internal control as management determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility Responsibilities for the Audit of the Financial Report

[Reporting in accordance with ASA 700 – see [Aus] Illustration 1A in ASA 700.]

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

In making those risk assessments, the auditor considers internal control relevant to the Entity's preparation and fair presentation³⁸ of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.³⁹ An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as

³⁹ In circumstances when the auditor also has responsibility to express an opinion on the effectiveness of internal control in conjunction with the audit of the financial report, this sentence would be worded as follows: "In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances." Responsibilities of Management⁴⁸s and Those Charged with Governance Responsibility for the Financial Report

[Reporting in accordance with ASA 700 – see [Aus] Illustration 1A in ASA 700.]

Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards,⁴⁹ and for such internal control as management determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility Responsibilities for the Audit of the Financial Report

[Reporting in accordance with ASA 700 – see [Aus] Illustration 1A in ASA 700.]

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

⁴⁸ Or other term that is appropriate in the context of the legal framework in the particular jurisdiction.

⁴⁹ Where management's responsibility is to prepare a financial report that give a true and fair view, this may read: "Management is responsible for the preparation of a financial report that gives a true and fair view in accordance with Australian Accounting Standards, and for such"

In making those risk assessments, the auditor considers internal control relevant to the Entity's preparation and fair presentation⁵⁰ of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.⁵¹ An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.
