

AA1000 Assurance Standard (2008) Sydney launch event

The first corporate accountability standard to be developed using a web-based wiki approach.

AccountAbility and its partners invite you to attend the Sydney launch of the new standard which will set the practice benchmark for the next 4-6 years. The launch marks the end of an extensive multi-stakeholder process involving consultation in 20 countries and participation from over 4,000 individuals from 90 countries via the online wiki process.

Date: Wednesday 28th January 2009

Venue: Macquarie Graduate School of Management
Level 6, 51-57 Pitt Street. Sydney 2000

Time: 10am – 6pm
