Reasons for Issuing Auditing Standard ASA 710 ***Comparative Information – Corresponding Figures and Comparative Financial Reports***

The Auditing and Assurance Standards Board (AUASB) issues Auditing Standard ASA 710 *Comparative Information – Corresponding Figures and Comparative Financial Reports* pursuant to the requirements of the legislative provisions and the Strategic Direction explained below.

The AUASB is an independent statutory board of the Australian Government established under section 227A of the *Australian Securities and Investments Commission Act 2001*, as amended (ASIC Act). Under section 336 of the *Corporations Act 2001*, the AUASB may make Australian Auditing Standards for the purposes of the corporations legislation. These Auditing Standards are legislative instruments under the *Legislative Instruments Act 2003*.

Under the Strategic Direction given to the AUASB by the Financial Reporting Council (FRC), the AUASB is required to have regard to any programme initiated by the IAASB for the revision and enhancement of the ISAs and to make appropriate consequential amendments to the Australian Auditing Standards. Accordingly, the AUASB has decided to revise and redraft the Australian Auditing Standards using the equivalent redrafted ISAs.

AUTHORITY STATEMENT

The Auditing and Assurance Standards Board (AUASB) makes this Auditing Standard ASA 710 *Comparative Information – Corresponding Figures and Comparative Financial Reports* pursuant to section 227B of the *Australian Securities and Investments Commission Act 2001* and section 336 of the *Corporations Act 2001*.

AUDITING STANDARD ASA 710

Comparative Information – Corresponding Figures and Comparative Financial Reports

Application

- Aus 0.1 This Auditing Standard applies to:
- (a) an audit of a financial report for a financial year, or an audit of a financial report for a half-year, in accordance with the *Corporations Act 2001*; and
 - (b) an audit of a financial report, or a complete set of financial statements, for any other purpose.
- Aus 0.2 This Auditing Standard also applies, as appropriate, to an audit of other historical financial information.

Operative Date

- Aus 0.3 This Auditing Standard is operative for financial reporting periods commencing on or after 1 January 2010.

Introduction

Scope of this ASA

1. This Auditing Standard deals with the auditor's responsibilities ~~regarding~~ relating to comparative information in an audit of a financial ~~statements~~ report. When the financial ~~statements~~ report of the prior period have ~~se~~ been audited by a predecessor auditor or ~~were~~ was not audited, the requirements and guidance in ~~ISA-ASA 510 (Redrafted)~~ (Revised and Redrafted)¹ regarding opening balances also apply.

The Nature of Comparative Information

¹ See ~~ISA 510 (Redrafted)~~ (Revised and Redrafted), "Initial Audit Engagements—Opening Balances."

Auditing Standard ASA 710
Comparative Information – Corresponding Figures and Comparative Financial Reports

2. The nature of the comparative information that is presented in an entity's financial ~~report~~~~statements~~ depends on the requirements of the applicable financial reporting framework. There are two different broad approaches to the auditor's reporting responsibilities in respect of such comparative information: corresponding figures and comparative financial ~~statements~~~~reports~~. The approach to be adopted is often specified by law or regulation but may also be specified in the terms of engagement.
3. The essential audit reporting differences between the approaches are:
- (a) For corresponding figures, the auditor's opinion on the financial ~~statements~~~~report~~ refers to the current period only; whereas
 - (b) For comparative financial ~~statements~~~~reports~~, the auditor's opinion refers to each period for which a financial ~~statements~~~~report~~ is -are presented.

This ~~ISA~~~~Auditing Standard~~ addresses separately the auditor's reporting requirements for each approach.

Effective Date

4. [Deleted by the AUASB. Refer Aus 0.3]

Objectives

5. The objectives of the auditor are:
- (a) To obtain sufficient appropriate audit evidence about whether the comparative information included in the financial ~~statements~~~~report~~ has been presented, in all material respects, in accordance with the requirements for comparative information in the applicable financial reporting framework; and
 - (b) To report in accordance with the auditor's reporting responsibilities.

Definitions

Auditing Standard ASA 710
Comparative Information – Corresponding Figures and Comparative Financial Reports

6. For the purposes of the Australian Auditing Standards, the following terms have the meanings attributed below:

(a) Comparative information ~~—means~~ ~~the~~ amounts and disclosures included in the financial ~~report~~~~statements~~ in respect of one or more prior periods in accordance with the applicable financial reporting framework.

(b) Corresponding figures ~~mean~~ ~~—~~comparative information where amounts and other disclosures for the prior period are included as an integral part of the current period financial ~~statements~~~~report~~, and are intended to be read only in relation to the amounts and other disclosures relating to the current period (referred to as “current period figures”). The level of detail presented in the corresponding amounts and disclosures is dictated primarily by its relevance to the current period figures.

Aus 6.1 (b) The applicable financial reporting framework for the purposes of audit engagements performed in accordance with the Corporations Act 2001 ordinarily refers to corresponding figures.

(c) Comparative financial ~~statements-reports~~ ~~mean~~ ~~—~~comparative information where amounts and other disclosures for the prior period are included for comparison with the financial ~~statements~~~~report~~ of the current period but, if audited, are referred to in the auditor’s opinion. The level of information included in ~~these~~~~at~~ comparative financial ~~statements~~~~report~~ is comparable with that of the financial ~~statements~~~~report~~ of the current period.

Former Aus A6.1 (b), which extended the definition of “corresponding figures” removed per comments from PAB/DTT

New Aus 6.1(b) added based on ED comments from PWC

For purposes of this ~~ISA~~Auditing Standard, references to “prior period” should be read as “prior periods” when the comparative information includes amounts and disclosures for more than one period.

Requirements

Audit Procedures

7. The auditor shall determine whether the financial ~~statements~~~~report~~ includes the comparative information required by the applicable financial reporting framework and whether such information is

- (a) The comparative information agrees with the amounts and other disclosures presented in the prior period or, when appropriate, have been restated; and
 - (b) The accounting policies reflected in the comparative information are consistent with those applied in the current period or, if there have been changes in accounting policies, whether those changes have been properly accounted for and adequately presented and disclosed.
8. If the auditor becomes aware of a possible material misstatement in the comparative information while performing the current period audit, the auditor shall perform such additional audit procedures as are necessary in the circumstances to obtain sufficient appropriate audit evidence to determine whether a material misstatement exists. If the auditor had audited the prior period's financial ~~statements report~~, the auditor shall also follow the relevant requirements of ISA 560 (Redrafted)(Revised and Redrafted).² If the prior period financial ~~statements report is are~~ amended, the auditor shall determine that the comparative information agrees with the amended financial ~~statements report~~.
9. As required by ISA 580 (Revised and Redrafted),³ the auditor shall request written representations for all periods referred to in the auditor's opinion. The auditor shall also obtain a specific written representation regarding any restatement made to correct a material misstatement in the prior period financial ~~statements report~~ that affect the comparative information. 11. If the auditor's report on the prior period, as previously issued, included a qualified opinion, a disclaimer of opinion, or an adverse opinion and the matter which gave rise to the modification is unresolved, the auditor shall modify the auditor's opinion on the current period's financial ~~statements~~report. In the Basis for Modification paragraph in the auditor's report, the auditor shall either:
- (a) Refer to both the current period's figures and the corresponding figures in the description of the matter giving rise to the modification when the effects or possible effects of the matter on the current period's figures are material; or
 - (b) In other cases, explain that the audit opinion has been modified because of the effects or possible effects of the unresolved matter on the comparability of the current period's figures and the corresponding figures.
(Ref: Para. A3-A5)
12. If the auditor obtains audit evidence that a material misstatement exists in the prior period financial ~~statements~~report on which an unmodified opinion has been previously issued, and the corresponding figures have not been properly restated or appropriate disclosures have not been made, the auditor shall express a qualified opinion or an adverse opinion in the auditor's report on the current period financial ~~statements~~report, modified with respect to the corresponding figures included therein. Comparative Financial ~~Statements~~~~Reports~~

15. When comparative financial ~~statements-reports~~ are presented, the auditor's opinion shall refer to each period for which ~~a financial statements-report is are~~ presented and on which an audit opinion is expressed. (Ref: Para. A8-A9)

Application and Other Explanatory Material

Audit Procedures

Written Representations (Ref: Para. 9)

- A1. In the case of a comparative financial statements-report, the written representations are requested for all periods referred to in the auditor's opinion because management needs to reaffirm that the written representations it previously made with respect to the prior period remain appropriate. In the case of corresponding figures, the written representations are requested for the financial statements-report of the current period only because the auditor's opinion is on these financial statements-report, which include the corresponding figures. However, the auditor requests a specific written representation regarding any restatement made to correct a material misstatement in the prior period financial statements-report that affect the comparative information.

Audit Reporting

Corresponding Figures

No Reference in Auditor's Opinion (Ref: Para. 10)

- A2. The auditor's opinion does not refer to the corresponding figures because the auditor's opinion is on the current period financial statements-report as a whole, including the corresponding figures.

Modification in Auditor's Report on the Prior Period Unresolved (Ref: Para. 11)

- A3. When the auditor's report on the prior period, as previously issued, included a qualified opinion, a disclaimer of opinion, or an adverse opinion and the matter which gave rise to the modified opinion is resolved and properly accounted for or disclosed in the financial statements-report in accordance with the applicable financial reporting framework, the auditor's opinion on the current period need not refer to the previous modification.
- A4. When the auditor's opinion on the prior period, as previously expressed, was modified, the unresolved matter that gave rise to the modification may not be relevant to the current period figures. Nevertheless, a qualified opinion, a disclaimer of opinion, or an adverse opinion (as applicable) may be required on the current

Auditing Standard ASA 710
Comparative Information – Corresponding Figures and Comparative Financial Reports

period's financial ~~statements-report~~ because of the effects or possible effects of the unresolved matter on the comparability of the current and corresponding figures.

- A5. Illustrative examples of the auditor's report if the auditor's report on the prior period included a modified opinion and the matter giving rise to the modification is unresolved are contained in Examples A and B of ~~the~~ Appendix 1.

Misstatement in Prior Period Financial ~~Statements-Report~~ (Ref: Para. 12)

- A6. When ~~the a~~ prior period financial ~~statements-report that that are~~ is misstated ~~have~~s not been amended and an auditor's report has not been reissued, but the corresponding figures have been properly restated or appropriate disclosures have been made in the current period financial ~~statements-report~~, the auditor's report may include an Emphasis of Matter paragraph describing the circumstances and referring to, where relevant, disclosures that fully describe the matter that can be found in the financial ~~statements-report~~ (see ~~ISA~~ SA 706 (Revised and Redrafted)).

Prior Period Financial ~~Statements-Report~~ Audited by a Predecessor Auditor (Ref: Para. 13)

- A7. An illustrative example of the auditor's report if the prior period financial ~~statements-report was~~were audited by a predecessor auditor and the auditor is not prohibited by law or regulation from referring to the predecessor auditor's report on the corresponding figures is contained in Example C of ~~the~~ Appendix 1.

Aus A7.1 When the prior period's financial report was audited by a predecessor auditor, and the audit opinion was unmodified, the auditor would not ordinarily include a reference to that predecessor auditor's opinion in the auditor's report. If the predecessor auditor's report was modified, the auditor considers the appropriateness of including a reference to that predecessor auditor's opinion in the auditor's report.

Comparative Financial ~~Statements-Report~~

Aus A7.2 In respect of audit engagements conducted under the Corporations Act 2001, the auditor's opinion ordinarily refers to the current period only, and not to comparative financial report(s). Consequently paragraphs 15, 16, 17 and

18, and related paragraphs A8, A9, A10, and A11 have no application to *Corporations Act 2001* audit engagements.

Reference in Auditor's Opinion (Ref: Para. 15)

- A8. Because the auditor's report on comparative financial ~~statements~~ report applies to the financial ~~statements-report~~ for each of the periods presented, the auditor may express a qualified opinion or an adverse opinion, disclaim an opinion, or include an Emphasis of Matter paragraph with respect to one or more periods, while expressing a different auditor's opinion on the financial ~~statements~~ report of the other period.
- A9. An illustrative example of the auditor's report if the auditor is required to report on both the current and the prior period financial ~~statements-report~~ in connection with the current year's audit and the prior period included a modified opinion and the matter giving rise to the modification is unresolved, is contained in Example D of ~~the~~ Appendix 1.

Opinion on Prior Period Financial ~~Statements-Report~~ Different from Previous Opinion (Ref: Para. 16)

- A10. When reporting on the prior period financial ~~statements-report~~ in connection with the current period's audit, the opinion expressed on the prior period financial ~~statements-report~~ may be different from the opinion previously expressed if the auditor becomes aware of circumstances or events that materially affect the financial ~~statements-report~~ of a prior period during the course of the audit of the current period. In some jurisdictions, the auditor may have additional reporting responsibilities designed to prevent future reliance on the auditor's previously issued report on the prior period financial ~~statements-report~~.

Prior Period Financial ~~Statements-Report~~ Audited by a Predecessor Auditor (Ref: Para. 18)

- A11. The predecessor auditor may be unable or unwilling to reissue the auditor's report on the prior period financial ~~statements-report~~. An Other Matter paragraph of the auditor's report may indicate that the predecessor auditor reported on the financial ~~statements-report~~ of the prior period before amendment. In addition, if the auditor is engaged to audit and obtains sufficient appropriate audit evidence to be satisfied as to the appropriateness of the amendment, the auditor's report may also include the following paragraph:

As part of our audit of the 20X2 financial statements report, we also audited the adjustments described in Note X that were applied to amend the 20X1 financial statements report. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to the 20X1 financial statements report of the company other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the 20X1 financial statements report taken as a whole.

Management's⁹ Responsibility for the Financial Statements Report

Management is responsible for the preparation and fair presentation¹⁰ of this financial statements report in accordance with International Financial Reporting Standards Australian Accounting Standards¹⁰; and for such internal control as management determines is necessary to enable the preparation of a financial report statements that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this ese financial report statements based on our audit. We conducted our audit in accordance with International Standards on Auditing Australian Auditing Standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements report. The procedures selected depend on the auditor's judgment judgement, including the assessment of the risks of material misstatement of the financial statements report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation¹¹ of the financial statements report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.¹² An audit also includes evaluating the appropriateness of

accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial ~~statements-report~~.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

As discussed in Note X to the financial ~~statements-report~~, no depreciation has been provided in the financial ~~statements-report~~ which constitutes a departure from ~~International Financial Reporting Australian Accounting~~ Standards. This is the result of a decision taken by management at the start of the preceding financial year and caused us to qualify our audit opinion on the financial ~~statements-report~~ relating to that year. Based on the straight-line method of depreciation and annual rates of 5% for the building and 20% for the equipment, the loss for the year should be increased by xxx in 20X1 and xxx in 20X0, property, plant and equipment should be reduced by accumulated depreciation of xxx in 20X1 and xxx in 20X0, and the accumulated loss should be increased by xxx in 20X1 and xxx in 20X0.

Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial ~~statements-report~~ presents fairly, in all material respects, (or “give a true and fair view of²) the financial position of ABC Company as at December 31, 20X1, and of its financial performance and its cash flows for the year then ended in accordance with ~~International Financial Reporting Australian Accounting~~ Standards.

made by management, as well as evaluating the overall presentation of the financial statementsreport.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

Because we were appointed auditors of ABC Company during 20X0, we were not able to observe the counting of the physical inventories at the beginning of that period or satisfy ourselves concerning those inventory quantities by alternative means. Since opening inventories affect the determination of the results of operations, we were unable to determine whether adjustments to the results of operations and opening retained earnings might be necessary for 20X0. Our audit opinion on the financial reportstatements for the period ended December 31, 20X0 was modified accordingly. Our opinion on the current period's financial reportstatements is also modified because of the possible effect of this matter on the comparability of the current period's figures and the corresponding figures.

Qualified Opinion

In our opinion, except for the possible effects on the corresponding figures of the matter described in the Basis for Qualified Opinion paragraph, the financial statements-report presents fairly, in all material respects, (or “give a true and fair view of”) the financial position of ABC Company as at December 31, 20X1, and of its financial performance and its cash flows for the year then ended in accordance with International Financial ReportingAustralian Accounting Standards.
