Our [My] responsibility is to express a conclusion on the financial report based on our [my] review. We [I] conducted our [my] review in accordance with Auditing Standard on Review Engagements ASRE 2415 *Review of a Financial Report: Company Limited by Guarantee or an Entity Reporting under the ACNC Act or Other Applicable Legislation or Regulation*, in order to state whether, on the basis of the procedures described, we [I] have become aware of any matter that makes us [me] believe that the financial report is not in accordance with the *Corporations Act 2001/ACNC Act*¹³ including: giving a true and fair view of the company's/entity's financial position as at 30 June 20XX and its performance for the year ended on that date; and complying with the Australian Accounting Standards [and *Corporations Regulations 2001*]. Auditing Standard on Review Engagements ASRE 2415
Review of a Financial Report: Company Limited by Guarantee or an Entity Reporting under the ACNC Act or Other Applicable Legislation or Regulation

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us [me] to obtain assurance that we [I] would become aware of all significant matters that might be identified in an audit. Accordingly, we [I] do not express an audit opinion.

[Independence]

In conducting our [my] review, we [I] have complied with the independence requirements of the *Corporations Act 2001*. We [I] confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of [name of company], would be in the same terms if given to the directors as at the time of this auditor's report.¹⁴

Conclusion¹⁵

Based on our [my] review, which is not an audit, we [I] have not become aware of any matter that makes us [me] believe that the financial report of [name of company] is not in accordance with the *Corporations Act 2001*¹⁶ including:

- (a) giving a true and fair view of the company's financial position as at 30 June 20XX and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards [and *Corporations Regulations 2001*].

Report on Other Legal and Regulatory Requirements

[Auditor's signature]¹⁷

[Date of the auditor's review report]¹⁸

[Auditor's address]

¹⁴ Or, alternatively, include statements (a) to the effect that circumstances have changed since the declaration was given to the relevant directors; and (b) setting out how the declaration would differ if it had been given to the relevant directors at the time the auditor's report was made. A Statement of Independence is required under the *Corporations Act 2001*.

¹⁵ Form of conclusion will depend on applicable legislation or regulation.

¹⁶ Or ACNC Act or other applicable legislation or regulation.

¹⁷ The auditor's review report is required to be signed in one or more of the following ways: the name of the audit firm, the name of the audit company or the personal name of the individual auditor as appropriate.

¹⁸ The date of the auditor's report is the date the auditor signs the report.
