PREFACE

Reasons for Issuing ED 02/15

The AUASB issues exposure draft ED 02/15 of proposed Auditing Standard ASA 2015-2 *Amendments to Australian Auditing Standards* pursuant to the requirements of the legislative provisions and the Strategic Direction explained below.

The AUASB is an independent statutory committee of the Australian Government established under section 227A of the *Australian Securities and Investments Commission Act 2001*, as amended (ASIC Act). Under section 336 of the *Corporations Act 2001*, the AUASB may make Auditing Standards for the purposes of the corporations legislation. These Auditing Standards are legislative instruments under the *Legislative Instruments Act 2003*.

Under the Strategic Direction given to the AUASB by the Financial Reporting Council (FRC), the AUASB is required, inter alia, to develop auditing standards that have a clear public interest focus and are of the highest quality.

The amendments to the Australian Auditing Standards comprise consequential changes arising from the proposed revision of ASA 720 *The Auditor's Responsibilities Relating to Other Information* as well as changes the AUASB has identified through its review of existing modifications from the equivalent ISAs (i.e. "Aus" paragraphs) where the compelling reasons test has not been met. The amendments to the Australian Auditing Standards arise from conforming amendments made by the International Auditing and Assurance Standards Board (IAASB) to ISA 720 *The Auditor's Responsibilities Relating to Other Information*. Under the Strategic Direction given to the AUASB by the Financial Reporting Council (FRC), the AUASB is required to have regard to any programme initiated by the IAASB for the revision and enhancement of the International Standards on Auditing (ISAs) and to make appropriate consequential amendments to the Australian Auditing Standards.

Proposed Operative Date

It is intended that this proposed Auditing Standard will be operative for financial reporting periods ending on or after 15 December 2016.

Request for Comments

Comments are invited on this Exposure Draft of the proposed issuance of ASA 2015-2 *Amendments to Australian Auditing Standards* by no later than 31 July 2015. The AUASB is seeking comments from respondents on the following questions:

1. Have applicable laws and regulations been appropriately addressed in the proposed standard?
2. Are there any laws or regulations that may, or do, prevent or impede the application of the proposed standard, or may conflict with the proposed standard?
3. What, if any, are the additional significant costs to/benefits for auditors and the business community arising from compliance with the requirements of this proposed standard? If there are significant costs, do these outweigh the benefits to the users of audit services?
4. Is the removal of (only) "Aus" paragraph references to the *Corporations Act 2001*—currently included within the requirements and application and other explanatory material—supported?

If removal of existing references is not supported, respondents are asked to indicate their preference for locating the re-instated material within the standard:

- In the requirements and application and other explanatory material (as applicable) of the proposed standard; or
 - By inclusion of a cross-referenced listing in an appendix to the standard?
5. Are there any other significant public interest matters that constituents wish to raise?

The AUASB prefers that respondents express a clear opinion on whether the proposed Auditing Standard, as a whole, is supported and that this opinion be supplemented by detailed comments, whether supportive or critical, on the above matters. The AUASB regards both supportive and critical comments as essential to a balanced review of the proposed Auditing Standard.

AUTHORITY STATEMENT

The Auditing and Assurance Standards Board (AUASB) makes this Auditing Standard ASA 2015-2 *Amendments to Australian Auditing Standards* pursuant to section 227B of the *Australian Securities and Investments Commission Act 2001* and section 336 of the *Corporations Act 2001*.

Compliance with the amended Australian Auditing Standards enables compliance with the amended ISAs.

Amendments to ASA 701

42. Paragraph A38 is amended to read as follows:

ASA 720 defines the term annual report and explains that documents such as a management report, management commentary, or operating and financial review or similar reports by those charged with governance (e.g., a directors' report); a Chairman's statement; corporate governance statement; or internal control and risk assessment reports may form part of the annual report. ASA 720 addresses the auditor's responsibilities relating to other information included in the annual report. Although the auditor's opinion on the financial reports does not cover extend to the other information addressed by ASA 720, the auditor may consider this information, as well as other publicly available communications by the entity or other credible sources, in formulating the description of a key audit matter.

43. The following footnote, referenced to Paragraph A38 amendment listed at 41. above, is amended as follows:

30 ~~See ASA 720, *The Auditor's Responsibilities Relating to Other Information in Documents Containing an Audited Financial Report*, paragraphs 12(a) and A1-A3.~~

Amendments to ASA 705

44. Paragraph 29 is amended to read as follows:

Unless required by law or regulation, when the auditor disclaims an opinion on the financial report, the auditor's report shall not include a Key Audit Matters section in accordance with ASA 701 or an Other Information section in accordance with ASA 720. (Ref: Para. A26)

45. The following footnote, referenced to Paragraph 29 amendment listed at 44. above, is inserted as footnote 109 follows:

109. See ASA 720 *The Auditor's Responsibilities Relating to Other Information*, paragraph A54.

46. Paragraph A26 is amended to read as follows:

...However, communication of any key audit matters other than the matter(s) giving rise to the disclaimer of opinion may suggest that the financial report as a whole is more credible in relation to those matters than would be appropriate in the circumstances, and would be inconsistent with the disclaimer of opinion on the financial report as a whole. Similarly, it would not be appropriate to include an Other Information section in accordance with ASA 720 addressing the auditor’s consideration of the consistency of the other information with the financial report. Accordingly, paragraph 29 of this Auditing Standard prohibits a Key Audit Matters section or an Other Information section from being included in the auditor’s report when the auditor disclaims an opinion on the financial report, unless the auditor is otherwise required by law or regulation to communicate key audit matters or to report on other information.

47. The Appendix is amended to read as follows:

[Aus] Illustration 1A:

For purposes of this illustrative auditor’s report, the following circumstances are assumed:

...
