## Agenda Item Objectives

To approve the final versions of the revised Auditing Standards that will be operative on and after 1 January 2010.

## Background

Draft versions of the revised standards were considered by the Board at the 7-8 September meeting. The standards were approved for finalisation subject to certain amendments required by the Board.

Subsequent to that meeting, the clean versions of the standards were used to mark up changes requested by the Board and other changes resulting from QA processes and editorial reviews. The marked up versions of the standards are provided, in electronic version, to enable Board members to reconcile the versions presented at the September meeting with the final versions submitted for approval at the October meeting.

The Board will also be supplied with the final *Regulatory Impact Statement* (the "RIS") covering the re-issuance of the entire suite of standards.

## Matters to Consider

The Board is requested to consider the marked up versions and approve the final versions of the revised *Auditing Standards* together with the associated *Explanatory Statements*.

## Staff Recommendations

AUASB Technical Group recommend the *Auditing Standards* and *Explanatory Statements* be approved.
