PREFACE

Reasons for Issuing ASA 2013-1

The Auditing and Assurance Standards Board (AUASB) issues Auditing Standard ASA 2013-1 Amending Standard to ASRE 2415 Review of a Financial Report – Company Limited by Guarantee pursuant to the requirements of the legislative provisions and the Strategic Direction explained below.

The AUASB is an independent statutory committee of the Australian Government established under section 227A of the Australian Securities and Investments Commission Act 2001, as amended (ASIC Act). Under section 336 of the Corporations Act 2001, the AUASB may make Auditing Standards for the purposes of the corporations legislation. These Auditing Standards are legislative instruments under the Legislative Instruments Act 2003.

Under the Strategic Direction given to the AUASB by the Financial Reporting Council (FRC), the AUASB is required, inter alia, to develop auditing standards that have a clear public interest focus and are of the highest quality.

Auditing Standard Amended by ASA 2013-1

This Auditing Standard makes amendments to the following Auditing Standard:

The amendments are consequential and arise from:

- The issuance, in December 2012, of the Australian Charities and Not-for-Profit Commission Act 2012 (Cth) (the ACNC Act) by the Australian Government.

  Under its mandate, the AUASB is required to maintain the quality and relevance of the Auditing Standards. Accordingly, amendments to existing Auditing Standards are made whenever necessary to recognise any applicable new or revised legislation or regulation.

- Changes made by the International Auditing and Assurance Standards Board (IAASB) to ISRE 2400 Engagements to Review Financial Statements.

  Under the Strategic Direction given to the AUASB by the Financial Reporting Council (FRC), the AUASB is required to have regard to any programme initiated by the IAASB for the revision and enhancement of its standards and to make appropriate consequential amendments to the Australian Auditing Standards.
Main Features

This Auditing Standard makes amendments to the Auditing Standard listed above.

The amendments comprise:

- Expansion of the scope of ASRE 2415 to incorporate entities reporting under the ACNC Act and other applicable legislation or regulation. As the purpose of ASRE 2415 is to direct auditors and assurance practitioners to the appropriate operational review standard (ASRE 2400 and ASRE 2410), it is the appropriate vehicle to direct reviews under the ACNC Act and other applicable legislation or regulation.

  As the requirements of ASRE 2415 are administrative in nature, the amendments are editorial and do not impact on the practical application requirements of performing reviews under the operational review standards (ASRE 2400 and ASRE 2410).

  These changes are editorial in nature and do not impact requirements.
