## PREFACE

### **Reasons for Issuing ED 04/12**

The Auditing and Assurance Standards Board (AUASB) is proposing to re-issue Auditing Standard on Review Engagements ASRE 2415 *Review of a Financial Report – Company Limited by Guarantee*, pursuant to the requirements of the legislative provisions and the Strategic Direction explained below.

The AUASB is an independent statutory committee of the Australian Government established under section 227A of the *Australian Securities and Investments Commission Act 2001*, as amended (ASIC Act). Under section 336 of the *Corporations Act 2001*, the AUASB may make Auditing Standards for the purposes of the corporations legislation. These Auditing Standards are legislative instruments under the *Legislative Instruments Act 2003*.

Under the Strategic Direction given to the AUASB by the Financial Reporting Council (FRC), the AUASB is required, inter alia, to develop auditing standards that have a clear public interest focus and are of the highest quality.

### **Main Proposals**

This proposed Auditing Standard on Review Engagements establishes requirements and provides application and other explanatory material regarding the assurance practitioner's responsibilities when accepting, conducting and reporting on an engagement to review an annual financial report for a company limited by guarantee.

This proposed standard is a compilation of ASRE 2415 *Review of a Financial Report – Company Limited by Guarantee* (issued June 2010) and Amending Standard ASA 2013-1. Changes made to ASRE 2415 by ASA 2013-1 arise from the AUASB's proposed issuance of revised Standard on Review Engagements, ASRE 2400 *Review of a Financial Report Performed by an Assurance Practitioner Who is Not the Auditor of the Entity*.

**The proposed changes to ASRE 2415 are primarily to update references to other AUASB standards and delete references no longer relevant. The amendments do not add to, or change, the requirements in the existing standard, ASRE 2415. Proposed Operative Date**

It is intended that this proposed Auditing Standard on Review Engagements will be operative for financial reporting periods commencing on or after 1 July 2013. Early adoption is permitted.

### **Main changes from existing ASRE 2415 *Review of a Financial Report – Company Limited by Guarantee* (June 2010)**

The main differences between this proposed Auditing Standard on Review Engagements and the Auditing Standard on Review Engagements that it supersedes, ASRE 2415 *Review of a Financial Report – Company Limited by Guarantee* (June 2010), are included in the Tables of Differences provided as an attachment to this Exposure Draft.

### **Request for Comments**

Comments are invited on this Exposure Draft of the proposed re-issuance of ASRE 2415 *Review of a Financial Report – Company Limited by Guarantee* by no later than 8 February 2013. The AUASB is seeking comments from respondents on the following questions:

1. Have applicable laws and regulations been appropriately addressed in the proposed standard?

**Proposed Auditing Standard on Review Engagements ASRE 2415**  
***Review of a Financial Report – Company Limited by Guarantee (Re-issuance of ASRE 2415)***

---

2. Are there any references to relevant laws or regulations that have been omitted?
3. Are there any laws or regulations that may, or do, prevent or impede the application of the proposed standard, or may conflict with the proposed standard?
4. What, if any, are the additional significant costs to/benefits for auditors and the business community arising from compliance with the main changes to the requirements of this proposed Auditing Standard? If there are significant costs, do these outweigh the benefits to the users of audit services?
5. Are there any other significant public interest matters that constituents wish to raise?

The AUASB prefers that respondents express a clear opinion on whether the proposed Auditing Standard on Review Engagements, as a whole, is supported and that this opinion be supplemented by detailed comments, whether supportive or critical, on the above matters. The AUASB regards both supportive and critical comments as essential to a balanced review of the Auditing Standard on Review Engagements.

Company Previously Audited (Ref: Para. 9)

- A1. At the time of the amendments to the Act there will be companies limited by guarantee that have been in existence for some time and will have appointed an auditor. Where that auditor has conducted an audit of the company's previous financial report, that auditor will have obtained an understanding of the company and its environment, including the company's internal control, in accordance with the Australian Auditing Standards. Accordingly, the auditor conducting a review, does so in accordance with ASRE 2410.<sup>7</sup> ASRE 2410 is to be read in conjunction with ASA 100 *Preamble to AUASB Standards* and ASA 101 *Preamble to Australian Auditing Standards*, as amended; and as applicable.

Company Not Previously Audited by the Auditor (Ref: Para. 10)

- A2. A company limited by guarantee may engage an auditor, who has not conducted an audit of the company's previous financial report, to conduct a review of its financial report. ### EXAMPLE AUDITOR’S REVIEW REPORT

The following example auditor’s review report is to be used as a guide only and will need to be adapted according to the review engagement requirements and circumstances. It is based on the example review reports contained in the Appendices of ASRE 2400 and ASRE 2410.

**Example 1: Financial report of a company limited by guarantee prepared under the Corporations Act 2001. The financial reporting framework is designed to achieve fair presentation.**

#### EXAMPLE OF AN UNMODIFIED REVIEW REPORT

##### INDEPENDENT AUDITOR’S REVIEW REPORT

To the members of [name of company]

##### Report on the Financial Report

We [I]<sup>9</sup> have reviewed the accompanying financial report of [name of company], which comprises the statement of financial position as at 30 June 20XX, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors’ declaration.<sup>10</sup>

##### *Directors’ Responsibility for the Financial Report*

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

##### *Auditor’s Responsibility*

Our [My] responsibility is to express a conclusion on the financial report based on our [my] review. We [I] conducted our [my] review in accordance with Auditing Standard on Review Engagements ASRE 2415 *Review of a Financial Report - Company Limited by Guarantee*, in order to state whether, on the basis of the procedures described, we [I] have become aware of any matter that makes us [me] believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the company’s financial position as at 30 June 20XX and its performance for the year ended on that date; and complying with the Australian Accounting Standards and *Corporations Regulations 2001*. ASRE 2415 requires that we [I] comply with the ethical requirements relevant to the review of the financial report.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us [me] to obtain assurance that we [I] would become aware of all

---

<sup>9</sup> When an individual is taken to be a registered company auditor under section 324BE of the Act, the auditor’s report is to be written in singular form.

<sup>10</sup> When the auditor is aware that the financial report will be included in a document that contains other information, the auditor may consider, if the form of presentation allows, identifying the page numbers on which the reviewed financial report is presented.

significant matters that might be identified in an audit. Accordingly, we [I] do not express an audit opinion.

#### *Independence*

In conducting our [my] review, we [I] have complied with the independence requirements of the *Corporations Act 2001*. We [I] confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of [name of company], would be in the same terms if given to the directors as at the time of this auditor's report.\*

#### **Conclusion**

Based on our [my] review, which is not an audit, we [I] have not become aware of any matter that makes us [me] believe that the financial report of [name of company] is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the company's financial position as at 30 June 20XX and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards and *Corporations Regulations 2001*.
