Template Guidance

This template has been approved by the Office of Legal Services Coordination (OLSC).

The template must be completed by all non-corporate and corporate Commonwealth entities and returned to OLSC within 60 days after the end of the financial year (see s.11.1(da) and s.12.3(f) of the *Legal Services Directions 2017*). Further guidance in relation to expenditure reporting is set out in Guidance Note 3 (Compliance with the Directions) and Guidance Note 8 (Reporting of Legal Services Expenditure) and can be found at <www.ag.gov.au>.

Agencies that are exempt from reporting to AGD but participate in the WoAG Legal Services Panel must complete a Certificate of Compliance and Expenditure for Non-reporting Agency and provide it to AGD within 90 days after the end of the financial year.

Please return this form by uploading the Excel document to the Legal Services Panel Portal (Portal users only) or emailing a copy to LSER@ag.gov.au.

Expenditure is reported on an accrual basis, using your agencies financial records. No information will be drawn from the Legal Services Panel quarterly expenditure reports submitted by Legal Services Providers, due to the transitional period this financial year. All figures are to be GST exclusive and rounded to the nearest dollar.

In addition to completing this report, all non-corporate Commonwealth entities are required to publish their legal services expenditure for the previous year by 30 October. No format is specified for the publication, but most agencies publish the data in their annual report, or on their website.

Participating agencies must report their 10% off-Panel Allowance expenditure and Exemptions expenditure annually to AGD within 60 days after the end of each financial year. The Panel Guidance Material can be found at <<https://legalservicespanel.agdnet.ag.gov.au/>>.

The figures reported below in relation to the use of the WoAG Legal Services Panel flexibility mechanisms should already be captured in the total value of professional fees reported in professional fees. Commentary

As per email dated 10th April 20 the notional fee calculated on the joint expenditure of the AASB and the AAUSB would be \$241.61 as this is below the \$500 threshold it was not payable.
